

SENIOR FULL STACK WEBDEVELOPER

TIMM MEISINGER

Location: Vienna, Austria **Website:** <https://ti2m.dev>

PROFILE

Over 15+ years, I've built and maintained web platforms across diverse technologies—from TYPO3 and WordPress to modern cloud applications on Vercel, AWS, and GCP.

I've delivered end-to-end products, including e-commerce platforms with custom blockchain-based payments, combining proven tools with emerging tech to create scalable, practical solutions.

I focus on systems that perform well, scale reliably, and are built to evolve.
